

Transparent Reviewing Works!

The Semantic Web journal started 2010

sporting transparent (non-anonymous) reviewing.

A few months ago, it received the top Impact Factor of all “Web” journals.

It is time to realize that transparent reviewing is superior to blind.

It is time that the Semantic Web community continues to take the lead on transparency.

Let us transition ISWC to transparent reviewing!

**All journals with
Impact Factor with
“Web” in their title:**

Semantic Web 1.786
